Director's Note

This year's Drama 1 and Drama 2 students are incredible! So is our Tech 1 and Tech 2, and Glam Squad this year! They are so creative and excited to present and perform this delightful comedy for you tonight. I always loved watching Westerns with my Grandpa Wilder True Hatch and my Father, Jeff White. They would have loved this show! I dedicate this to them. So, sit back, participate, have fun and enjoy the show!

Music by CHARLES STROUSE

Director's Note

I have loved this musical since I was a kid. Ann Margeret, who played Kim Macafee in the original film version of this musical, was my first crush! When I was a junior in high school I played Hugo with Springville Community Theatre, and had a wonderful experience! Eminence has done a fantastic job with this production, and I'm proud of each of them. Enjoy the show.
